

ABHE Bible Knowledge Exam Results

Our goal is that our graduates Associate and Bachelor's graduates will demonstrate a greater Biblical and theological knowledge rooted in the ultimate authority of the Scripture (Institutional goal 1). Carver uses the Association for Biblical Higher Education (ABHE) Bible Knowledge Exam to measure this goal. This assessment is nationally normed among all other ABHE schools using the exam.

Target Goal: An average of 10% greater than the ABHE average in Bible Knowledge and Bible Teaching Categories.
